

IMPORTANT WARNING: EVACUATION ON SUNDAY 25TH OCTOBER 2020

A military device dating back to the Second World War was found in the underground of Via Torino in Mestre. For defusing activities it is necessary to clear an area with a radius of 468 meters from the point where the operations will take place (see attached map)

For the safety of citizens, the Mayor issued a provision ordering, on Sunday 25th October 2020, the total eviction of people, animals and movable property from the security area. This area must remain clear from 6.00am until the end of the operations. Appropriate notice will be given of the end of the operation.

The Council will help those needed by activating a reception area at the Patronato della Parrocchia di San Giuseppe (Patronage of the Parish of San Giuseppe) in Viale San Marco 170. To better organize the reception people who want to be hosted are asked to notify the Contact center of the Council of Venice by calling the telephone number 041041. (they answer every day from 8:30am to 17:00pm)

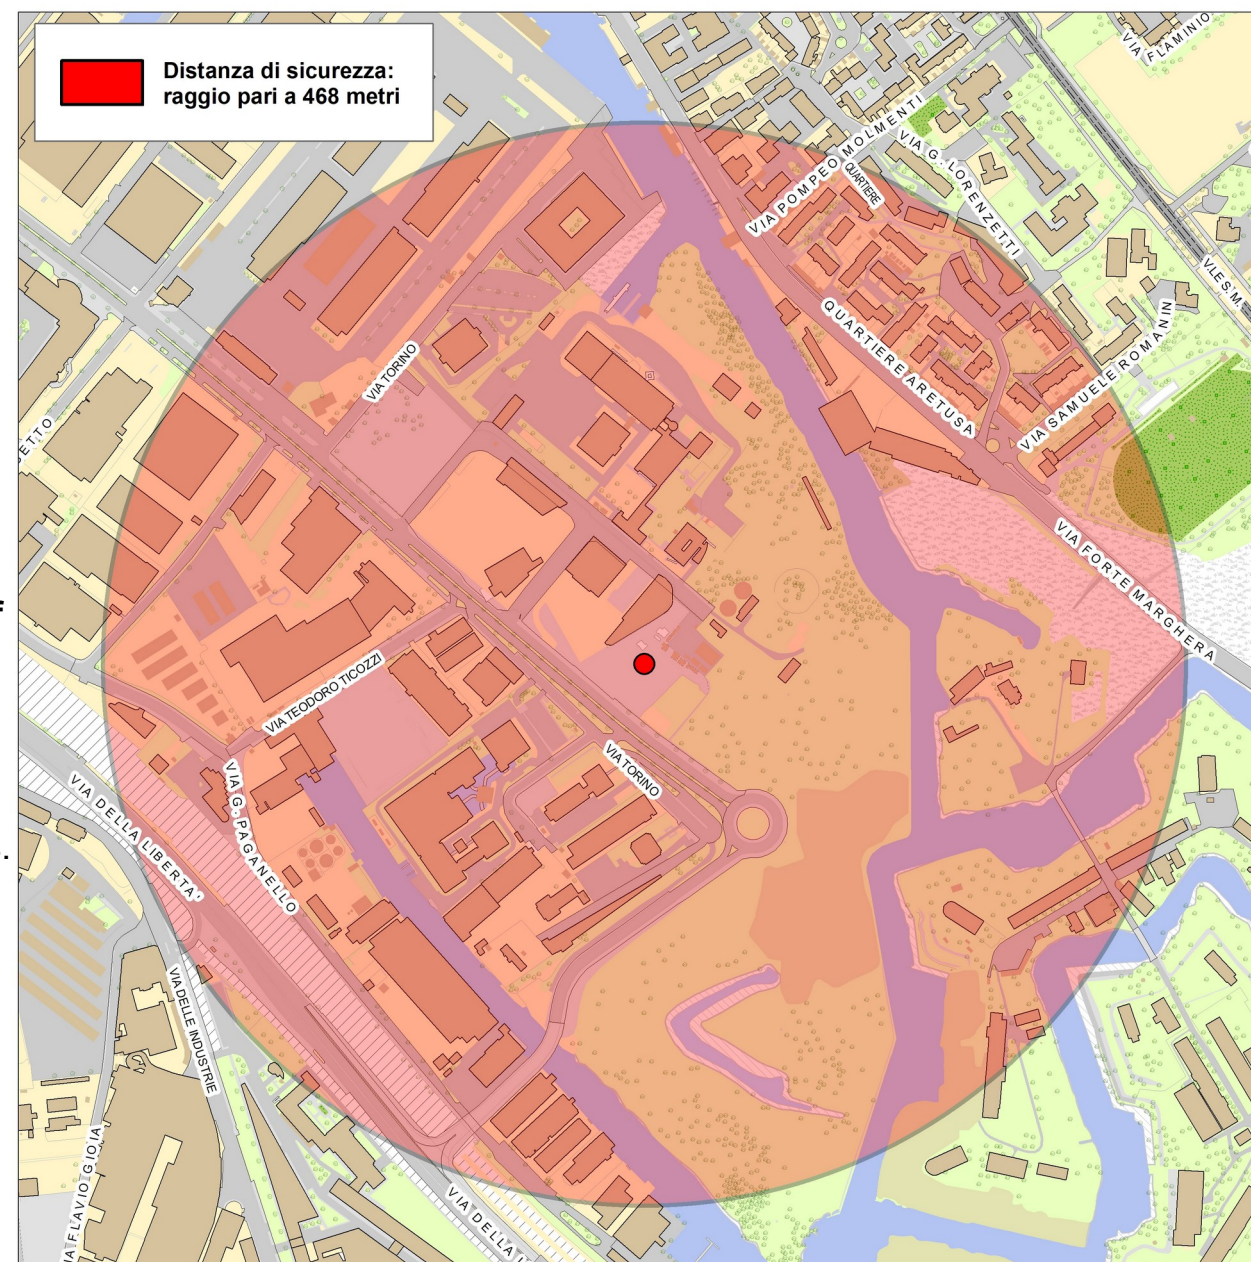

Use of mask will be mandatory.

It is recommended that you bring only the essentials with you, the medicines you may need and the documents.

For information and to report any problems:

 **Tel 041041** (from hour 8:30am to 17:00pm)
