

# Attenzione ai gabbiani

**Non abbandonare rifiuti in strada**

**Non dare da mangiare ai gabbiani**

**Non avvicinarsi ai gabbiani**

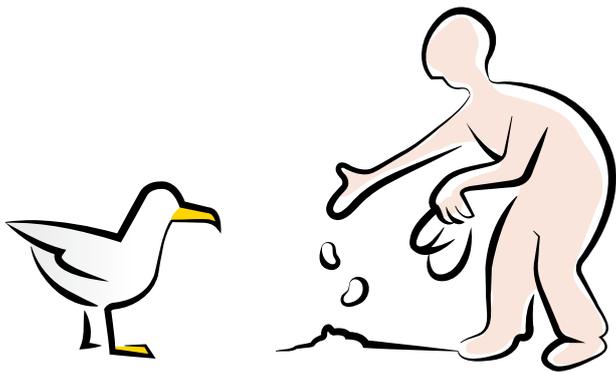

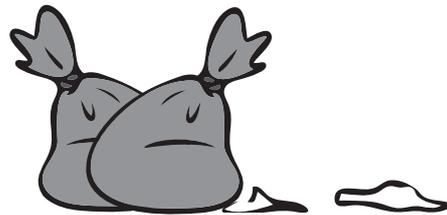

**Prima del periodo riproduttivo del gabbiano,**  
*installare barriere fisiche nei luoghi di nidificazione dei gabbiani e nei posatoi*

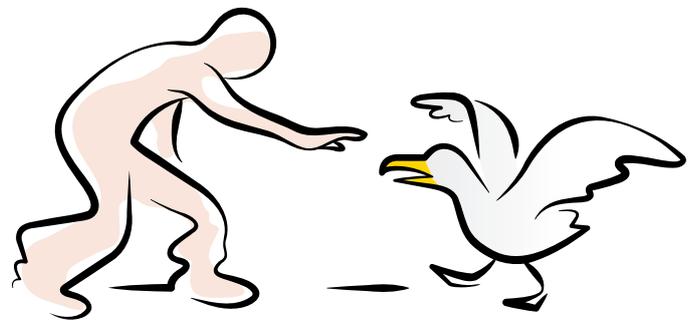

**Durante il periodo riproduttivo del gabbiano,**  
*frequentare e occupare le aree in cui i gabbiani hanno nidificato per scoraggiarne l'insediamento*

# Beware of seagulls

**Do not leave garbage on the ground**

**Do not feed the seagulls**

**Do not approach the seagulls**

**Before the breeding season of the seagull, install physical barrier in the nesting areas and roosting sites**

**During the breeding season of the seagull, frequent and occupy the areas where the seagulls have nested to discourage their settlement.**
